

Stocky Terms And conditions

- By accessing and engaging with this stock investment platform, individuals implicitly assent to adhere to the stipulations delineated herein.
- Users must have attained the age of majority, which is set at a minimum of 18 years, in order to avail themselves of the services proffered by this application.
- The veracity and entirety of information furnished during the registration process is the sole responsibility of the user.
- It is incumbent upon users to acknowledge that this platform does not dispense financial counsel or endorse any specific investment actions. All decisions pertaining to investment endeavors are undertaken at the sole discretion and risk of the user.
- Users must acknowledge and embrace the inherent risks concomitant with engaging in stock market transactions, including but not limited to the potential diminution of invested capital.
- Whilst the platform may afford access to real-time data pertinent to stock market fluctuations, the veracity and reliability thereof cannot be unerringly assured.
- Users must abstain from any and all actions that could be construed as fraudulent, unlawful, or unethical during their interaction with the application.
- The platform reserves the prerogative to suspend or annul user accounts found to be in contravention of the prescribed terms and conditions.
- Users must refrain from attempting to decompile, alter, or tamper with the software or infrastructure underpinning the platform.
- The platform may gather and retain personal data in accordance with the tenets enumerated in the privacy policy.
- Users bear the onus of safeguarding the confidentiality of their account credentials and must forthwith report any instances of unauthorized access.
- Periodic updates to the platform's features and functionality may be effectuated, and users are enjoined to remain apprised of these modifications.
- Users agree to indemnify and hold harmless the platform and its affiliates against any claims, losses, or damages stemming from their utilization of the application.
- These terms and conditions constitute the entire covenant between the user and the platform, supplanting any antecedent agreements or understandings.
- Any disputes arising from the utilization of this application shall be adjudicated in accordance with the laws of the pertinent jurisdiction, with both parties acceding to the exclusive jurisdiction of the courts therein.
